The challenge

- **Outdated HR system:** An inefficient system limited their client support.
- **Need for proactive client support:** The previous system missed potential client HR issues.
- **Difficulty scaling HR services:** Processes lacked scalability, hindering client onboarding and growth.

The solution

- **Implementation of Breathe:** Adopted user-friendly, affordable Breathe software to modernise processes.
- **Partner Programme engagement:** They use the Partner Programme for tools and commercial gain.
- **Data-driven insights:** They use Breathe's features for deeper client HR insights and improvements.

“Joining Breathe and the Breathe Partner Programme, is probably **one of the best decisions we've ever made as a business.**”
